HEADLINE
SPONSORS

The Rotary Club of Beaconsfield is delighted once again to organise Beaconsfield Festival of Lights, the town's largest annual community event. We receive assistance from many people and organisations as acknowledged on page 21 as well as financial support from those organisations listed here.

Without our sponsors we could not continue. Our sponsors and supporters provide the funding to run the event every year. Our Headline and Main sponsors – many local businesses – dig deep to assist. Without them we could not continue to put on and develop the event. So please give them the support that they deserve.

Theme of Beaconsfield Festival of Lights 2023 – Green

Our theme this year focuses on Green. We are all now only too aware that we need to look after our Planet, recycle more and use less plastic. Our theme will be used by the children for inspiration when decorating their lanterns for the parade on the night.

Beaconsfield Festival of Lights 2023 supported charity

This year in line with the Green Theme we have chosen to support a local charity - Chiltern Rangers. Their volunteers do amazing work to enhance the Chilterns' habitats through conservation, education and community engagement. See pages 28 and 29. Hamptons Estate Agents are helping us raise money on the evening. So do go and visit them. We are also setting up a page for online donations. See our web site for details.

Lantern parade

The lantern parade will make its way through town along Station Road to the Council Green starting about 7.00pm. Children from local schools are joined by the Mayor, Santa on his sleigh and a pipe band

More performances to watch and listen

Every year a selection of local talent takes to our stages. This year stages are sited in the Centre of Station Road, on the Council Green and we have also added an additional small stage in between. Do go and watch. You may be surprised by the local talent on display. An outline programme is included on page 21.

Food and drink

An array of food and drink will be available on Gregories Road and on the Council Green. This year we have a new addition – Authentic Flavours of the Silk Road who serve food from Central Asia. In addition you will find old favourites including Rotary Charity BBQ, Caribbean street food, pizzas and more. There will be a mobile bar on Gregories Road as well as mulled wine, hot and cold drinks available and Rebellion Brewery on the Council Green. More details on page 23 and on the night.

Attractions, entertainment and stalls

The Family Zone will be back in Maxwell Road with entertainments for younger visitors. There is also a competition that children can join in. More details on page 19 and on the night.

A map and provisional list of attractions is shown on page 25.

Check our website for latest updates

More about Beaconsfield Rotary

Beaconsfield Rotary is the local club of this worldwide volunteer network. In addition to organising Beaconsfield Festival of Lights we undertake local voluntary work and raise money for local and international charities. Find out more about our work on page 27.

If you would like to help or join us, do call one of our team Barry - 07802 21 5516, Chris - 07703 856563, Khaled - 07958 467506 or Margaret - 01494 681 480 or talk to us on the night.

CELEBRATING 22 YEARS IN THE BUSINESS

Having worked now in the roofing and building industry for over 22 years, as a family man I am very proud to have created this trustworthy company with such supportive customers that return for more work and recommend us to so many.

Now, 22 years later, SMB Services have a new head office, over 15 members of staff and a heavy fleet of vehicles. The team is handpicked with great care and attention and each team member has

their very own unique specialist skill; this makes SMB stand out above the rest.

Although having grown in size a great deal over the last 22 years, SMB is still very much a family run business, believing **RELIABILITY, PASSION AND AFFORDABILITY** are key to running a successful business.

80% of our business is word of mouth, referrals and repeat business, both commercial and domestic, which speaks for itself.

To enable us to bring your building dream to life please get in touch

Shanly Foundation is delighted to support the

BEACONSFIELD FESTIVAL OF LIGHTS 2023

Shanly Foundation supports good causes predominantly within Berkshire, Buckinghamshire, Hampshire, Hertfordshire, North London, Oxfordshire, Surrey and West Sussex. From time-to-time we also lend support to national and international organisations.

Every application we receive for funding is considered by our Board of Trustees who meet monthly. This ensures that funding is appropriately allocated to help local community groups and charitable organisations to support and improve the quality of life for those most in need across our communities.

Shanly Foundation is funded entirely from the discretionary distribution of profits made by the Shanly Group of companies. The main operating companies within the Group are Shanly Homes, Sorbon Estates and Shanly Partnership Homes.

The advertisement features a festive Christmas theme with a dark blue top section decorated with snowflakes and red gift boxes. The central text 'iRepairs Beaconsfield Tech repair you can trust' is prominently displayed. Below this, a red section lists various services: Upgrades, Liquid Revival, Accessories, Data Transfers, Screen Replacements, Christmas Gifts, Battery Replacements, and Friendly Advice. Each service is accompanied by an image of a relevant tech product, such as a smartphone, a laptop, a pair of headphones, a game console, and a snowman. The bottom of the ad is decorated with a white snow border and a red sleigh.

HEADLINE SPONSORS

Merry Christmas from iRepairsBeaconsfield

We are an Apple Independent Repair provider offering express tech repairs completed by Apple Certified technicians.
We strive on customer satisfaction and like to offer a tailored service to keep repair open to everyone no matter what your circumstance. We offer Apple original parts, OEM & aftermarket. We can also use recycled parts to lower costs for you, just ask one of the team.
We take pride in what we do so you can rest assured you are in the right hands when it comes to your beloved tech.

We need to talk about E-waste

E-waste is a fast growing problem for our planet

E-waste or electronic waste is created when an electronic product is discarded after the end of its useful life. The rapid expansion of technology and the consumption driven society results in the creation of a large amount of e-waste

E-waste is considered the fastest growing waste stream in the world with 44.7 million tonnes generated in 2016, equivalent of 4500 Eiffel towers. In 2018 an estimated 50 million tonnes of e-waste was reported, thus the name tsunami of e-waste given by the UN.

The harmful effects of e-waste on the environment are caused by poisonous toxins within the electrical equipment itself. E-waste is far from biodegradable meaning that any tech abandoned to landfill will remain there indefinitely releasing toxins into the environment via groundwater, soil and air therefore in land and sea animals. These toxins can also have a detrimental affect on human life causing health issues such as kidney, lung and central nervous system damage.

Repairing a broken device is not always economically viable. With the cost of new parts being so expensive often it is more viable to purchase a new device. Consumers are opting to buy new, and we understand this logic.

Here at iRepairs we are doing our bit to help prevent e-waste by recycling/refurbishing and reusing components from electronic devices that are no longer needed/used.

iRepairs believes in giving back. We are offering to refurbish your old no longer used tech and donate these repurposed devices to one of our charities.

In 2022 we have already donated a number of iPhones 4s, 5s and 6s, iPads, tablets, laptops, TV firesticks and Tom Toms to the Wycombe Women's Aid all of which were greatly received. All devices were donated complete with new charging leads and plugs. This would not have been possible without the generosity of our customers.

We all have electronic products sitting in draws that could be given a new lease of life.

How do you get involved? Rummage in your drawers and cupboards to find your unused tech, contact us and we will do the rest.

Please do check that your old device is clean of any personal data and that any security locks are taken off.

For more information feel free to contact us at info@irepairsbeaconsfield.co.uk

Children's attractions

We offer a range of attractions for children. Of course one of the main attractions is seeing friends and relatives with their lanterns in the parade or performing on one of the three stages. Santa on his sleigh and his reindeer are in attendance too. Fairground rides for younger children will be found in the Family Zone in Maxwell Road as well as other attractions for older children in Station Road.

Children's Competition – create a bauble

Children of all ages can create a bauble. Download and print the bauble template from the Beaconsfield Festival of Lights website (www.beaconsfieldfestivaloflights.co.uk). Glue the bauble template to a piece of card to make it stronger. Then colour/paint/decorate the bauble. Delivery your entry to Ashington Page by 2nd December 2023 for judging. Baubles will then be displayed in Ashington Page's and Traveltime's windows. The winners will receive a small prize.

Santa's sleigh

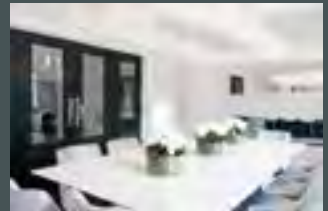

Santa will be visiting on the night. Beaconsfield Rotary will also be helping Santa visit the local streets of Beaconsfield in December. So do look out for details on our Facebook and web site pages.

YOUR GUIDE TO THE FESTIVAL OF LIGHTS

The Festival of Lights is now only possible as a result of donations and support from community minded, local businesses and charities. They can only continue their support if you support them by using their services. Find out who they are by exploring the pages of this programme. Please do not buy products from unauthorized street traders. They do not contribute towards the costs of the event or monies raised for charity on the night. Please buy only from those displaying a Festival of Lights Authorised Participant sign.

ACKNOWLEDGEMENTS AND SINCERE THANKS

... to Mid Thames Raynet Communications for communications equipment; Waitrose and Sainsburys for use of their car parks; Beaconsfield Town Council, Flyte Entertainment and Terry Darby for the professional entertainers; Azets who audit the accounts for the Festival of Lights and for the help of many other local Rotary Clubs on the night.

THE PARADE OF LANTERNS

The procession will be led by the Beaconsfield Town Mayor followed by Santa. The procession will start on Station Road near Davenies School at 7.00 pm and end at the Council Green. The procession leaders will be joined by the Pipe Band and then representatives from local schools including Butlers Court School, St Mary & All Saints School, High March and Holtspur School.

The theme for this year is Green and children in the parade will be carrying lanterns decorated on this theme.

COMMUNITY CAROL SINGING

Following the lantern parade join in community carol singing on the Council Green at around 7.30 pm.

PERFORMANCES ON THE STAGES

This year we have three stages. Performances start from 5.45 and continue until 8.15pm. We have an amazing line up of local talent.

Davenies School handbells

Beaconsfield Musical & Operatic Society

Davenies Choir

Physique Dance

Butlers Court Choir

Holtspur School Choir

Rotary

70 years of making a difference in Beaconsfield

Beaconsfield Rotary Club celebrated its 70th birthday last year. During that time its many members have given their time freely in support of the local community. Over the years we have raised millions of pounds in support of local and international causes, as well as providing practical help such as shopping for those isolating during the pandemic. As part of the global Rotary family with over a million members worldwide, our Club in Beaconsfield can call on resources and support from Rotary worldwide to help us support our local community in Beaconsfield.

Recent activities

Cheese and Wine Evening

With the generous support of Bekonscot Model Village we organised an exclusive after hours private viewing of Bekonscot Model Village combined with cheese and wine tasting. The event was sponsored by The Greyhound Pub & Restaurant and Moxley & Co – Traveltime. We raised money for Scanappeal.

Charity BBQs

Country Fayre, Beaconsfield Festival of Lights, Community events. Our volunteers give their time freely to prepare delicious BBQ food. All profits go to charity.

Dictionaries for school children

Rotary worldwide is committed to improving education around the world in many ways. The Beaconsfield Rotary Club participated again by providing Dictionaries4Life for local school children. Even in this digital age where information is readily available online, these personal dictionaries have continued to be enjoyed by many children and used as a reference book for many years.

End Polio Now

For a number of years we have planted crocuses on local roundabouts and public areas. Look out for them again in Spring. The crocus is used to mark recipients of polio vaccine in less developed parts of the world. As a result of Rotary's efforts since 1989 that have more recently been complemented by many other organisations, including The Bill Gates Foundation, polio is close to being eradicated from the world. Until that happens, however, there is always a threat it could spread again and threaten us all. www.endpolio.org

Santa is coming

Santa will be visiting on the night. Beaconsfield Rotary will also be helping Santa visit the local streets of Beaconsfield in December. So do look out for details on our Facebook and web site pages.

Just an hour a week can make a big difference. It is amazing what a few hours a month can achieve when combined with those of fellow members. We are always delighted to welcome extra assistance. So if you want to help make a difference and help us continue into the future then do get in touch with any of our team Barry - 07802 215516, Chris - 07703 856563, Khaled - 07958 467506 or Margaret - 01494 681 480 or talk to us on the night.

BECOME A CHILTERN RANGERS VOLUNTEER!

love the outdoors?

If you love being outside and getting your hands dirty, join the Chiltern Rangers Volunteer Team and help us with a variety of conservation tasks including river work, woodland management, tree and hedge planting, making and installing bird & bat boxes, litter picking and much more. We work with our local community in nature reserves, farms, woods, chalk streams and urban areas such as hospitals and schools.

love to help out?

We are always on the look out for people to join our team and the varied projects we have running throughout the year. If you have a love of tools and DIY or gardening and plants we will have something for you to help with! We need people to look after our community gardens, tree nurseries, plant wildflowers, build bird boxes and so much more. Please get in touch!

happier inside?

If you have skills in HR, legal, marketing, social media, copywriting, IT or general administration then we would love to hear from you! There are never enough hours in the day to get everything done and we are always pleased to welcome a new pair of helping hands!

We welcome volunteers of all ages, abilities and backgrounds. You can get involved for a day or a year, we are really flexible, just let us know what you can fit in! Get in touch by phone 01494 474486 or email info@chilternrangers.co.uk

www.chilternrangers.co.uk

HEADLINE SPONSORS

CHILTERN RANGERS

Chiltern Rangers mission is to enhance the Chilterns' habitats through conservation, education and community engagement.

They work with local communities to provide habitat management in Buckinghamshire and the Chilterns. You will find them in the woodlands, chalk grasslands, commons, ponds and chalk streams. They also manage 13 nature reserves for Buckinghamshire Council.

Their work can only be achieved with the help of our volunteers – people of all ages, abilities and backgrounds, plus community organisations, charities, social enterprises, schools & colleges.

Charity Fundraiser in support of Chiltern Rangers

Every year the team at Hamptons organise the official Beaconsfield Festival of Lights charity fundraiser on the night of the event. So do stop in to see them at 10 Burkes Parade (on the corner of Gregories Road) and join in. All proceeds go to charity.

We will be setting up an online donation page. More details on web site.

Beaconsfield Festival of Lights

Wednesday 6th December 2023

Specialist family lawyers.

RAYDENSOLICITORS

There might be challenging times in your life when a family law solicitor can help:

- Have you decided your marriage or relationship is over or are you unsure about your family's future?
- Do you want to understand the options to resolve arrangements for your children?
- Do you need a pre nuptial or post nuptial agreement to protect assets?
- Are you moving in with your partner and need a cohabitation agreement?
- Do you need to protect your children?

Choosing the right family lawyer for you and your circumstances is crucial. Rayden Solicitors are family law specialists with many years' experience; we will give tailored and practical solutions in all areas of family law - divorce, relationship breakdown, child arrangements and financial settlements.

Rayden Solicitors is delighted to support the Festival of Lights!
