The Rotary Club of Beaconsfield is delighted once again to organise Beaconsfield Festival of Lights, the town's largest annual community event. We receive assistance from many people and organisations as acknowledged on page 21 as well as financial support from those organisations listed here.

Without our sponsors we could not continue

Our sponsors and supporters provide the funding to run the event every year. Our Headline and Main sponsors – many local businesses – dig deep to assist. Without them we could not continue to put on and develop the event. So please give them the support that they deserve.

Lantern parade

The lantern parade will make its way through town along Station Road to the Council Green starting about 7.00pm. Children from local schools are joined by the Mayor, Santa on his sleigh and a pipe band

More performances to watch and listen

Every year a selection of local talent takes to our stages. This year there are two stages. Centre Stage sponsored by SDEducation on Station Road and Main Stage sponsored by Playball on the Council Green. Do go and watch. You may be surprised by the local talent on display. An outline programme is included on page 21.

Food and drink

An array of food and drink will be available on Gregories Road and on the Council Green including old favourites burgers and sausages as well as Caribbean street food and more. There will be mulled wine, hot and cold drinks available and Rebellion Brewery. More details on page 23 and on the night.

Family Zone in Maxwell Road

The Family Zone will be back in Maxwell Road with rides and entertainments for younger visitors. Visitors can also have their faces painted. Meet the furry and feathered gang that make up "Basil and Crew". Eager to meet you as well, the animals here can be fed and petted while on their evening visit to Beaconsfield. Shetland Pony, Donkey, Goats and Sheep make up some of the re-homed crew waiting to meet you at the Festival of Lights.

Attractions, entertainment and stalls

On Station Road there will further entertainments, stalls selling a range of products and a helter skelter.

A map and provisional list of attractions is shown on page 25.

70 years of making a difference in Beaconsfield

Beaconsfield Rotary Club celebrated its 70th birthday in 2022. During that time its many members have given their time freely in support of the local community. Over the years we have raised millions of pounds in support of local and international causes, as well as providing practical help. As part of the global Rotary family with over a million members worldwide, our Club in Beaconsfield can call on resources and support from Rotary worldwide to help us support our local community in Beaconsfield.

Recent activities

Cheese and Wine Evening

With the generous support of Bekonscot Model Village we organised an exclusive after hours private viewing of Bekonscot Model Village combined with cheese and wine tasting. The event was sponsored by The Greyhound Pub & Restaurant and Moxley & Co – Traveltime. We raised money for One Can Trust.

Charity BBQs

Country Fayre, Beaconsfield Festival of Lights, Community events. Our volunteers give their time freely to prepare delicious BBQ food. All profits go to charity.

Dictionaries for school children

Rotary worldwide is committed to improving education around the world in many ways. The Beaconsfield Rotary Club participated again by providing Dictionaries4Life for local school children. Even in this digital age where information is readily available online, these personal dictionaries have continued to be enjoyed by many children and used as a reference book for many years.

End Polio Now

For a number of years we have planted crocuses on local roundabouts and public areas. Look out for them again in Spring. The crocus is used to mark recipients of polio vaccine in less developed parts of the world. As a result of Rotary's efforts since 1989 that have

more recently been complemented by many other organisations, including The Bill Gates Foundation, polio is close to being eradicated from the world. Until that happens, however, there is always a threat it could spread again and threaten us all.

www.endpolio.org

Santa is coming

Santa will be visiting on the night. Beaconsfield Rotary will also be helping Santa visit the local streets of Beaconsfield in December. So do look out for details on our Facebook and web site pages.

Just an hour a week can make a big difference

It is amazing what a few hours a month can achieve when combined with those of fellow members. We are always delighted to welcome extra assistance. So if you want to help make a difference and help us continue into the future then do get in touch with any of our team Barry - 07802 215516, Chris - 07703 856563, Khaled - 07958 467506 or Margaret - 01494 681 480, talk to us on the night or email secretary@beaconsfieldrotary.co.uk.

CELEBRATING 23 YEARS IN THE BUSINESS

Having worked now in the roofing and building industry for over 23 years, as a family man I am very proud to have created this trustworthy company with such supportive customers that return for more work and recommend us to so many.

Now, 23 years later, SMB Services have a new head office, over 15 members of staff and a heavy fleet of vehicles. The team is handpicked with great care and attention and each team member has their very own unique specialist skill; this makes SMB stand out above the rest.

Although having grown in size a great deal over the last 23 years, SMB is still very much a family run business, believing **RELIABILITY, PASSION AND AFFORDABILITY** are key to running a successful business.

80% of our business is word of mouth, referrals and repeat business, both commercial and domestic, which speaks for itself.

Children's attractions

Family Zone Maxwell Road

We offer a range of attractions for children. Of course one of the main attractions is seeing friends and relatives with their lanterns in the parade or performing on one of the stages. Santa will be on his sleigh. Fairground rides for younger children will be found in the Family Zone in Maxwell Road as well as other attractions including soft play and face painting.

Meet the furry and feathered gang that make up "Basil and Crew". Eager to meet you as well, the animals here can be fed and petted while on their evening visit to Beaconsfield. Shetland Pony, Donkey, Goats and Sheep make up some of the re-homed crew waiting to meet you at the Festival of Lights.

Santa's sleigh

Santa will be visiting on the night. He will be in the parade of lanterns. Beaconsfield Rotary will also be helping Santa visit the local streets of Beaconsfield in December. So do look out for details on our Facebook and web site pages.

YOUR GUIDE TO THE FESTIVAL OF LIGHTS

The Festival of Lights is now only possible as a result of donations and support from community minded, local businesses and charities. They can only continue their support if you support them by using their services. Find out who they are by exploring the pages of this programme.

PLEASE DO NOT BUY PRODUCTS FROM UNAUTHORIZED STREET TRADERS.

Increasingly traders from other parts of UK are attending. They have no licences. Their products are often expensive and sub standard. They do not contribute towards the costs of the event or monies raised for charity on the night. So support those who help ensure that the event can go ahead by **buying only from those displaying a green Festival of Lights Authorised Participant sign.**

ACKNOWLEDGEMENTS AND SINCERE THANKS

... to Mid Thames Raynet Communications for communications equipment; Waitrose and Sainsburys for use of their car parks; Beaconsfield Town Council and for the help of many local Rotary Clubs and other volunteers on the night.

THE PARADE OF LANTERNS

The procession will be led by the Beaconsfield Town Mayor followed by Santa. The procession will start on Station Road near Davenies School at 7.00 pm and end at the Council Green. The procession leaders will be joined by the Pipe Band and then representatives from local schools including Butlers Court School, St Mary & All Saints School, High March and Holtspur School. The theme for this year is Christmas and children in the parade will be carrying lanterns decorated on this theme.

COMMUNITY CAROL SINGING

Following the lantern parade join in community carol singing on the Council Green at around 7.30 pm.

PERFORMANCES ON THE STAGES 5.45 TO 8.15 PM SPONSORED BY PLAYBALL AND SDE

We have an amazing line up of talent including:

Give the gift of peace of mind this Christmas

Spending time with loved ones this festive season presents an ideal opportunity to reflect on our future, and ensure our legal affairs are in order.

Making a Will not only enables you to set out clear instructions for how your estate should be distributed, but also ensures your wishes are carried out by those you trust. Importantly, it gives you control, making it much easier for your family or friends to handle your affairs when you pass away. Without a Will, the process can be far more time-consuming and stressful for your loved ones.

Equally as important are **Lasting Powers of Attorney**. An LPA allows you to appoint someone you trust to make decisions on your behalf should you lose mental capacity. Think of it as a form of 'insurance policy' – a protective step for any potential future issues. Without an LPA, even close family members have no automatic right to manage your affairs if you become unable to do so.

Whether you're considering a Will or exploring Lasting Powers of Attorney, making these plans now can provide reassurance for the future. It's never too early to start the conversation.

From small beginnings in 1993 we are now a member of Serendipians, a group of the world's elite travel designers. We have access to exclusive services and contacts that enable us to craft holidays and experiences to many parts of the world. Our well travelled teams will be pleased to discuss your plans and create a holiday tailor-made just for you.
